Welcome to
Glenside Elementary School

2017-2018
Family Handbook

Superintendent Dr. Wagner Marseille
Assistant Superintendent Dr. Tamara Smith
Principal Michelle Robinson
Climate and Culture Administrator Elsie Butler
September 5, 2017

Dear Families and Students,

This handbook is presented as a guide to success at Glenside Elementary. Our aim is to arm students, parents, families and the community with the information you need to be active participants in the education of our scholars. The policies and procedures presented in these pages relate to the academic, social, emotional and safety goals important to establishing and sustaining a healthy school community.

The district has identified 3 key Norms to maintain the safe, nurturing and academic environment that will yield optimum success for our students. Our community is expected to Be Safe, Be Respectful and Be Responsible while at school, traveling to and from school and representing the school in the community.

We look forward to partnering with you in this upcoming year and wish each family a happy and healthy school year!

Warmly,
Glenside Leadership and Staff
Our District Mission Statement

Drawing on its cultural richness, creativity, and tradition of scholastic excellence, the School District of Cheltenham Township strives to nurture each child through a wealth of academic endeavors and community partnerships that provide the skills and vision needed to lead a productive and meaningful life beyond our classroom walls.

Our District Vision Statement

With a clear connection between the classroom and the world, the School District of Cheltenham Township will strive for excellence by:

- inspiring our students to develop principled and knowledgeable responses to the local, national, and global challenges of the 21st century;
- actively engaging parents in their children’s intellectual, social, and moral education;
- encouraging faculty and staff to continually broaden the web of connections between their academic disciplines and the world on which they depend;
- stimulating dynamic leadership of building and district administrators; and
- creating partnerships with community individuals, institutions, organizations, and businesses that model real-world connections for all students.

Strategic Plan Statement

We create experiences that drive innovation for teaching and learning. In Doing so our culturally diverse community becomes a model of excellence in education.

General Information

School Begins:  9:00 AM  
School Ends:  3:40 PM

Early Dismissal Dates

There are a number of scheduled early dismissal days during the school year. Be sure you note these on your calendar. See the district website for specific dates for this year:

First and Last day of school  1:15 PM  
3rd Wednesday of each month  2:45 PM  
Holiday Dismissal days*  1:00 PM  
* Last school day before Thanksgiving, Winter Break, and Spring Break

Morning/Afternoon Arrival and Dismissal

Arrival: Morning supervision begins at 8:40am. Students line up in the back yard according to their room number. Please do not send your child to school before this time.

Dismissal: All children are dismissed at 3:40 PM.
- C.L.A.S.P.-dismiss to the Cafetorium
- Walkers-dismiss in the front of the building and students must Shake and Point to the caregiver picking him/her up.
- Car Riders-dismissed from the left stairwell door. All vehicles should have a placard with your child’s name and grade.

C.L.A.S.P. provides care from 7:00–8:40am and 3:40–6:30pm. Services can be arranged through our CLASP Director at 215-886-6805.

On the third Wednesday of each month (except for September it will be the 4th Wednesday, students are dismissed at 2:45 due to monthly faculty meetings.

Absences and Excuses

If your child will not be attending school, you must notify Child Check by 9:05 AM on the day of the absence. To do this, call 215-881-6440, then press 1.

Please be mindful that every absence must be followed by a written excuse signed by a parent or guardian within 3 days of returning to school. Request for EARLY dismissals should be done in writing to the teacher, and is to be approved by the principal. For early dismissal, please remember to pick up your child and sign out at the office. To maximize your child’s potential for growth this year we urge you to arrive on time every day and schedule appointments after school and during school breaks.
Change in Dismissal Procedures

When there will be a change in the normal dismissal procedure, send a note to school with your child. Notes should be given to the teacher at the beginning of the school day. Students will then report to the designated area at dismissal time. While we understand that last-minute changes may occasionally be unavoidable, if you send an email or leave a voice message on the same day as the change, we cannot guarantee that teachers or school staff will receive it in time to adjust the dismissal procedure.

Emergency School Closing Information

If it becomes necessary to close school for reasons such as inclement weather or other emergencies, it will be announced on...

- www.cheltenham.org
- School Messenger (automated phone calls from the district office)
- All Local TV Stations
- KYW (1060 AM) radio

Please notify the classroom teacher and the office whenever there are any changes in phone numbers and email addresses so that you will not miss important notifications.

Early School Closure

If weather or other conditions during the school day require us to close school early, the School Messenger System will begin as soon as possible.

Since there will be NO CLASP (Childcare) Program, and our building will be closed, please remember that you are responsible for your child at the designated school closing time. Also, we will conduct normal bussing procedures at the designated closing time.

Late Openings

Occasionally, due to the weather, it is necessary to open school two hours late. The district website and School Messenger will notify you of the delayed opening.

Bus service will follow the same schedule only two hours later.

Transportation

Bus information will be provided by your school after registration. More information, including a “Find My Bus” app, is available on the district website:

https://www.cheltenham.org/Domain/68

Visitors to School

All visitors to our school must present a photo ID in the office to obtain a visitor’s pass.
Medications

Students **may not** transport medications to school. Medications **must be hand-delivered** to the school nurse or principal by the parent/guardian.

Cafeteria

The school cafeteria has a computerized debit system. Each student will have a PIN (personal identification number). Please note that this system is very confidential. Every student will be required to enter his/her PIN, thus insuring your child’s privacy. In addition, dietary restrictions can be entered into the system, which will be displayed when the student’s PIN is entered.

Please refer to the food services website for additional information about paying for meals, applications for free and reduced lunch, and school lunch menus: https://www.cheltenham.org/site/Default.aspx?PageID=155

Behavior Expectations

It is our expectation that Glenside is a safe and peaceful school. As a result, we will not tolerate fighting, teasing, bullying, inappropriate language/conduct or disrespect to a staff member, student or visitor. We have clear expectations for appropriate behavior that are detailed in our *Cheltenham School District Elementary Code of Conduct Expectations*. Those expectations are written around our 3 primary norms:

- Be Safe
- Be Respectful
- Be Responsible

Positive Behavior Intervention and Support Plan

PBIS is a systemic approach for creating safer and more effective schools by building a better environment through positive disciplinary practices. This looks like:

- Clearly communicated **behavior expectations**
- Direct and continuous instruction of **positive actions** and behaviors
- Targeted **interventions and supports**
- A **Multi-Tiered System of Support (MTSS)** to monitor the academic and holistic needs of students
- An active **partnership** between families and Schools

Instructional Programs and Support Services

Glenside utilizes best practices for instruction through the use of active pedagogy in the following programs:

- Math-EnVision Math
- ELA-StoryTown/Writing Workshop
Conferences and Report Cards

We operate on a trimester schedule. Students will receive a report card three times per year in December, March, and June. In addition, there will be one parent-teacher conference in November for every child. There will be a second conference for Kindergarten students in the spring. However, as a parent/guardian, you have the right to request a conference at any time you feel it is necessary.

Extracurricular Activities

Each school offers a variety of additional activities and programs for students who wish to pursue them. Some of these are offered during the school day, and others take place before or after school. Opportunities include Future Problem Solving teams, Glenside Student Service Organization, vocal and instrumental music, sports, and Young Playwrights. Contact your child’s teacher for more information about what is available at your child’s grade level this year.
CHELTENHAM SCHOOL DISTRICT
ELEMENTARY CODE OF CONDUCT EXPECTATIONS

The Cheltenham School District strives to create positive school climates where students, parents/guardians and all staff work together to respectfully maintain an orderly and safe environment focused on teaching and learning. Students have a right to a disciplinary process that is consistent, fair, and equitable. Working collaboratively with all stakeholders we uphold discipline practices that promote a positive school learning environment.

Cheltenham School District believes that positive behavior is a developmental process, and effective discipline strategies should meet students’ varied behavioral and developmental needs with tiered responses and interventions. A continuum of instructional strategies and disciplinary responses supports teaching and learning, fosters positive behavior, and reflects a restorative discipline philosophy. Restorative practices afford students opportunities to learn from their mistakes, correct any harm that results from their behavior, and restore relationships that are disrupted by their conduct. Our school discipline practices are designed to engage students in the classroom so that students may become successful learners.

Student Responsibilities
It is the responsibility of students and staff to create and maintain a safe and productive learning environment. Rules, consequences, and rewards are posted and discussed in each classroom. Children are expected to follow classroom and school rules at all times. If a child repeatedly violates established rules and disrupts the learning environment, parents/guardians are expected to meet with the teacher, sponsor of the activity, and/or principal to find an effective way to assist the child in behavior management. Your cooperation and support of the school’s educational program is essential in providing a successful learning experience for your child.

Staff Responsibilities
All school staff members play an important role in building strong relationships with students and investing their success. Staff members will do the following:
- Establish and teach clear expectations for behavior and refer to them throughout the year.
- Take an instructional approach to discipline,
- Acknowledge and reward positive and appropriate conduct by students.
- Administer discipline rules consistently, fairly, and equitably.
- Communicate with families, students, and all staff members to foster positive behavior and student engagement.
- Ensure that clear, developmentally, and age-appropriate consequences are applied in a way that supports personal growth and learning opportunities.
- Measures will be used in an equitable and fair manner.

Parent / Guardian Responsibilities
- Review as a family the Code of Conduct, Disciplinary Expectations and Consequences
- Parents/guardians will maintain up-to-date home, work and emergency numbers/contacts at the school.
- Refrain from using profanity, abusive language or actions, written or verbal to ensure a healthy learning environment for everyone.
- Comply with all school guidelines for arrival and dismissal procedures.
- Obey all traffic laws and regulations while on or around school property.
- Work collaboratively with school staff to address behavioral problems that their child may experience.
- Address classroom questions or concerns with your child's teacher.
- Encourage your child to demonstrate respect for their classmates, school personnel, and school property.
- Work with the school to help them access supportive groups or programs designed to improve their education and behavior.

Conduct Expectations
Students shall be provided with expectations about how they should conduct themselves at school. Teachers directly engage students in the process of developing class codes of conduct, an important opportunity for students to agree on a few clear statements of how they will treat others and how others will treat them. These rules are to be followed in conjunction with school-wide and district-wide rules. The conduct expectations create an umbrella for engaging students in the process of setting positive expectations for conduct in an environment of mutual respect and dignity.

1. Be safe
2. Be respectful
3. Be responsible
Classroom Expectations
- Arrive on time
- Come prepared with all required supplies and work
- Use resources responsibly and with care
- Communicate respectfully with adults and peers
- Follow schoolwide and classroom rules/behavior expectations

Hallway Expectations
- Walk quietly on the right side of the hallway
- Keep hands at sides, respectfully not touching others, the walls, or artwork
- Go directly to his/her destination and return immediately to where s/he is supposed to be
- Keep hallways clean and safe

Cafeteria Expectations
- Be seated by homeroom
- Wait calmly and be mindful of noise level until class table is called for lunch line
- Follow cafeteria line-up procedure
  - Clean up trash and return to seat
  - Stay seated and wait quietly
  - Walk to line when called
- Demonstrate respect by listening to and following the directions of all staff members.

Recess Expectations
- Stay within designated play areas--blacktop, playground, track and field (if applicable)
- Play safely, share and use equipment properly, include others, practice good sportsmanship, and use appropriate language
- Line up when whistle blows
- Students will demonstrate respect by listening to and following the directions of all staff members.
School Bus Expectations
The school bus is an extension of the school. The purpose of CSD transportation is to provide a safe and peaceful conveyance to and from school for all students. Failure to observe proper regulations will result in appropriate consequences. Buses will arrive and depart from the bus loading area located outside the front of the building.

- Dismissal line-up procedure
- Students will sit in their assigned bus seats
- Offenses that jeopardize student safety on the bus are taken very seriously.
- Standing, sitting in the aisle, throwing objects both inside and out of the bus
- Inflammatory remarks, and fighting on the bus will result in suspension from the bus.
  - 1st offense: punishment not to exceed five days suspension
  - 2nd offense: between 2-10 days suspension
  - 3rd offense: between 3-15 days suspension
  - 4th offense: warrants a long term suspension

Please note that students are never permitted to ride a bus other than the one to which he/she has been assigned.

Dress Code
Students have the responsibility and right to dress in accordance with the community standards for dress and grooming. Students may not be disciplined for their style of dress or grooming unless it...

- is likely to cause disruption to school activities;
- causes a disruption to the educational environment including shorts and skirts that expose underwear or body parts
- endangers health or safety including flip-flops, slides, and slippers
- fails to meet a reasonable requirement of a course or activity
- is lewd, vulgar, obscene, revealing, or of a sexual nature
- Promotes violence, hate or the use of tobacco, alcohol, or drugs
- Pants and shorts need to fit at the waist
- Hats, caps, and hoods and other head coverings may not be worn during the school day unless for religious custom, medical condition or school sponsored activities
If a student’s outfit is deemed inappropriate by school dress code, and parents/guardians are unable to provide a replacement outfit, students will be provided with a school issued article of clothing. Repeat violations will require a parent conference with school administration.

Supports and Interventions
The Cheltenham School District is committed to provide equitable supports and interventions as part of our school’s culture, climate, and expectations. The following are examples of supports and interventions that are currently in use in our schools. This is not a full or complete list.

We encourage students to demonstrate good behaviors throughout the year by using positive reinforcement. Schools spend a great deal of energy praising and rewarding good behaviors. We are trying to create a learning community where it “pays” to do what is right. Student rewards are established by individual schools and personnel.

Restorative Practices
Restorative Practices will be utilized to proactively create a sense of, and commitment to, community in order to prevent and address conflict and wrongdoing as follows:

- Involve and empower the affected community; however participation is always voluntary.
- Challenge the mindsets of all involved to examine their roles, attitudes, beliefs and behaviors specifically around wrongdoing.
- Utilize techniques to proactively build community, such as recognizing and celebrating desirable community actions and behaviors, and establishing community expectations.
- Focus on the harms of wrongdoing more than on the rule or law that was broken.
- Encourage collaboration and reintegration, rather than punishment and isolation.
- Anticipate and address situations that may challenge a school community, such as physical conflict or re-entry of members into the community who have been apart for disciplinary reasons.
Positive Behavioral Interventions and Supports (PBIS)

PBIS or SWPBIS (School-Wide Positive Behavioral intervention and Supports) is a systemic approach for creating safer and more effective schools by building a better environment through positive disciplinary practices. Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the link between research-validated practices and the environments in which teaching and learning occurs. Attention is focused on creating and sustaining Tier 1 supports (universal), Tier 2 supports (targeted group), and Tier 3 supports (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

Positive Action

Positive Action is a systematic educational program that promotes an intrinsic interest in learning and encourages cooperation among students. It works by teaching and reinforcing the intuitive philosophy that you feel good about yourself when you do positive actions. The effects of the program range from increased academic achievement to dramatic reductions in problem behaviors. The essence of the program is to emphasize those actions that promote a healthy and positive cycle.

School Counselors

Cheltenham School District's School Counselors are committed to providing all students with a comprehensive school counseling program which systematically addresses academic, career, and personal/social development. It is our belief that in doing so, we assist students in exploring, planning, and realizing their individual interests, abilities, and goals, thus helping them to reach their full potential as productive members of society.

The primary responsibilities of the School Counselors include: individual and group counseling, consultation with teachers, administrators, and families in order to plan and implement strategies for student success, coordination of the school counseling program, which includes organizing, managing, delivering, and evaluating the school counseling program and curriculum and collaboration with school psychologist and school social worker to assists families in obtaining needed services through referrals to outside agencies.
**Mental Health and Wellness Counselors**

Cheltenham Mental Health and Wellness Counselors are an integral component in our students' Social and Emotional Learning. The Mental Health and Wellness Counselors' primary responsibilities include: implementing school-wide prevention programs to enhance the learning environment, assisting with the coordination of prevention and intervention programming to foster healthy student relationships and social skills development, conducting mindfulness/wellness programmatic sessions for parents/guardians to foster home and school relations and facilitating Restorative Practices sessions with students who exhibit challenging behaviors. Other responsibilities include: crisis intervention, substance use counseling, stress management and group counseling.

**Administrator for Climate and Culture**

Under the direction of the school principal, the Administrator for Climate and Culture carries out the school’s academic and behavior programs understanding and responding to the challenges presented but today’s diverse student population. The Administrator provides proactive leadership to engage all stakeholders in the delivery of programs and services to support students’ academic achievement, personal and social development. He/She works in tandem with the principal, counselors, nurse, staff, students and parents to ward a positive school climate.
The following chart is a guide detailing the behaviors students are expected to exhibit and the consequences students can expect when they make poor choices regarding their behavior. It is not meant to be inclusive of all possible kinds of misbehavior; rather, it is a guideline that represents the more common and serious types of misbehavior that may be experienced in a school environment. Students are reminded that school rules are in effect, and students are subject to discipline: (1) while at school; (2) at school-sponsored events, trips, or activities, whether on or away from school property; (3) while traveling to/from school, school-sponsored events, trips, or activities on a vehicle owned, leased, or under the control of the District; and (4) as otherwise permitted by law.

The severity of any consequence will be proportional to the severity of the offense, the age of the student, the student’s prior disciplinary record, special circumstances about the incident, including whether the student was an aggressor or victim, as well as any applicable laws or regulations, including, but not limited to, those related to the discipline of students with disabilities.

Students who have been suspended from school will be required, prior to returning to their previous class schedule, to meet with a designated school official to discuss academic and behavioral expectations upon return to school, resources available to support students, the consequences of future noncompliance with Board Policy and/or school rules, and the number of hours, if any, of counseling required prior to the student’s return to his/her regular class schedule.

At the discretion of the Superintendent or designee, which may include the Assistant Superintendent, building principal or assistant principal, students may be afforded the opportunity to participate in restorative practices in lieu of harsher disciplinary consequences.
