The funds raised are critical to keep many important programs at our school running. Here are some of the valuable programs that the Cheltenham High School Pto supports:

- **Teacher Requests/grants**
- **Community events and dances**
- **12th grade graduation**
- **Awards Assemblies**
- **Teacher Appreciation/Welcome Back Events**

This is the PTO's largest fundraiser. We are asking families to become members with their \$20 contribution. To ensure continued success of all our existing programs our goal is 100% participation from all CHS families! Please support your child's education by joining the CHS PTO today.
