

CHECKLISTS

Stay on track throughout high school with these checklists to help you prepare for college.

9th and 10th Grade Checklist

Planning for college begins as soon as you enter high school. Use this checklist to stay on track as you strengthen your academic profile, explore your interests and build the support you need to become a strong college applicant.

Start Planning

- Use a planner to track your assignments, test dates and extracurricular activities, and to organize and prioritize your work.
- Create a college file to save all your notes, correspondence and important paperwork.
- Begin to build your resumé (pp. 12-13).
- Find out if you have access to **NAVIANCE** Family Connection through your school and learn how it can help you through the college admissions process.

Assemble Your College Prep Team

- Talk to your parents or guardians about your college plans (p. 6). Begin to research colleges together.
- Meet with your guidance counselor and teachers. Discuss your post-high school goals and plans together. Ask about college prep programs in which you might participate.

Prepare Financially

- Start learning about financial aid and ways to pay for college (pp. 37-49).
- Begin to save money for college expenses. It is never too early to start saving. Visit www.360Financialliteracy.org.
- Explore the College Board's tools and webinars about topics such as college savings and tuition tax credits: <https://bigfuture.collegeboard.org/get-started/for-parents>.
- Visit www.EducationPlanner.org provided by PHEAA to learn about educational costs and student aid.

Challenge Yourself Academically

- Make sure you are enrolled in the most challenging academic courses available at your school.
- Investigate opportunities to take part in college preparation or academic enrichment programs (p. 59).
- Learn about Philadelphia Futures' Sponsor-A-Scholar and College Connection Programs and how they can help you reach your goal of earning a college degree (back cover).
- Read books and newspapers to build your vocabulary and knowledge base.

Learn about Standardized Tests

- Take the Preliminary SAT (PSAT) as practice for taking the SAT (p. 26). Ask your guidance counselor about PSAT scheduling at your school.
- It is never too early to start preparing for the SAT or ACT (p. 28).

Explore Opportunities and Interests

- Join clubs or teams that interest you and take on leadership roles.
- Begin to explore different careers (pp. 7-8).
- Explore the "Roadtrip Nation" interview archive via **NAVIANCE** Family Connection for videos of people who have turned their interests into their life's work.
- Research volunteer jobs and internships in fields that interest you.
- Visit colleges with your parents or guardians (pp. 20-21). Try to visit two schools each year, preferably when students are on campus.
