

IF YOU SEE SOMETHING, SAY SOMETHING

“If you see something, say something” is the Cheltenham School District safety and security guiding principle. Students and staff who see anything out of the ordinary should contact school administration or law enforcement. Email general concerns or inquiries to schoolsafety@cheltenham.org.

DISTRICT OVERVIEW

CSD employs 11 school safety officers who focus on safety systems and protocols.

Each district building has a comprehensive emergency plan supported by township and county emergency management, and the Cheltenham Police.

BUILDING ACCESS

All CSD buildings use Raptor software to monitor visitors and identify anyone who may compromise school safety. Raptor scans visitor state-issued IDs and screens them against a national database. If a concern is identified, school officials are alerted.

SHELTER-IN-PLACE DRILL

Immediately seek shelter in a safe location within the building for situations such as severe weather or presence of hazardous material (HAZMAT).
